

A good commercial lawyer sees beyond the law

International Arbitration

Vinge is one of the Nordic region's largest law firms, with around 450 employees. It is a full-service commercial law firm, and the majority of its work is international in nature. Vinge has offices in Stockholm, Gothenburg, Malmo and Helsingborg, as well as Brussels, Hong Kong and Shanghai.

A market leader

Vinge has one of the largest dispute resolution groups in Scandinavia, with a total of over 50 lawyers.

As such, we are able to handle the most complex and document-intensive cases. Our aim is, quite simply, to win.

In all matters, we seek to provide an efficient and cost-effective service, taking account of the commercial background at all times.
