Åsa Hellstadius is a highly specialised intellectual property and marketing law expert.

She represents national and international clients and is experienced in e.g. complex and high-profile patent and copyright cases. Her diverse practice encompasses all types of IP and marketing law and related fields, which includes clients in sectors such as pharmaceuticals, healthcare, life sciences, media, consumer retail and automotive.

Åsa is co-author of the leading handbook of IP law in Sweden and is an associate professor of IP law at Stockholm University.
