Kristoffer Sällfors specialises in public procurement and procurement in the utilities sectors. He has many years' experience in the field and is regularly engaged by contracting authorities and entities to advise on all stages of procurement. Kristoffer is also engaged by suppliers to the public sector and in conjunction with M&A within the public sector. He has experience of concession procurements and social issues relating to procurements. Kristoffer is regularly engaged in review cases by contracting authorities/entities as well as by suppliers, and he has extensive experience of conducting litigation before the Swedish courts as well as before the Court of Justice of the European Union. In addition, he also lectures at universities and at conferences both in Sweden and abroad.
