Marcus Glader heads Vinge's EU, Competition & Regulatory practice group and specialises in competition law. Marcus works with all types of EU and competition law matters and focuses in particular on transactions, abuse of dominance issues and competition law litigation. Marcus has a wealth of international experience and is ranked as one of the top five competition law specialists in Sweden. He holds a Doctor of Laws and is a guest lecturer at Lund University and is also regularly engaged as a guest speaker at conferences and seminars.
