Ninos Aho is a partner in Vinge's dispute resolution group and has extensive experience of representing clients in civil courts, administrative courts and arbitration. Ninos also regularly assists clients with advice on commercial agreements, especially in commercial tenancies, where he assists both landlords and tenants in connection with rental agreements, terminations and in real estate law matters before court or rent tribunal. Ninos is also specialized in maritime and transport law and assists in all types of transport modes such as sea transport, road transport and forwarding, rail transport, air transport, logistics (3PL) and in transport insurance matters. Ninos practice covers a number of industries, such as transport, energy, trade and commercial tenancy.
